

I do not think that there is any other quality so essential to success of any kind as the quality of perseverance. It overcomes almost everything, even nature.

-John D. Rockefeller

We invite people living with multiple sclerosis to receive a personalized and comprehensive Physical Therapy Evaluation and Exercise Program designed to manage the symptoms of Multiple Sclerosis. This clinic will be given by the Medical University of South Carolina Physical Therapy Program under the Supervision of Dr. Sara Kraft DPT, NCS, ATP.
